## RELEVANT EXPERIENCE

### Interaction Designer

*September 2009 – Present*

EliteHealth

Designed the Patient Portal interfaces, including scheduling doctor appointment, managing electronic medical records (EMRs), renewing prescriptions, and social networking functions. Programmed front-end interactions with AJAX interfacing with JSON web services. Made significant contributions to PHP back-end in the Kohana framework.

### Interaction Designer (Internship)

*September 2008 – Present*

Glerb, LLC

Researched and developed monetization and social media strategies. Designed lessons taking sections, homepage, and social areas. Provided major contributions to authoring.

### Usability and User Interface Intern

*May 2009 – September*

2009

City of Bloomington, IN

Designed internal master address database user interface for the GIS department. Added screen reader-accessible photo slideshow for the City homepage. Redesigned myBloomington mini-site. Proposed larger redesign of the entire website based on user survey, heuristic evaluations, and interviews.

### Web Developer

*May 2006 – July 2008*

IU Division of Extended Programs

Designed, developed, and maintained the content management system and websites for the Division, using an XML-XSLT-based approach in PHP and MySQL.

### Database Programmer

*June 2004 – May 2006*

IU School of Continuing Studies

Developed course registration, delivery, and management system with MySQL, PHP and AJAX. Clients included Excelsior College, Purdue University, Singapore University and Hong Kong University.

## DESIGN SKILLS

Participatory Design  
Contextual Inquiry  
Ethnomethodological Approaches  
Design Probes  
Affinity Diagramming  
Card Sort Tasks  
Task Analysis and Task Flow  
Usability Testing  
Wireframing  
High and Low Fidelity Prototyping  
Personas / Scenarios  
Interface Design

## SOFTWARE SKILLS

Photoshop CS4  
Illustrator CS4  
Fireworks CS4  
Flash CS4  
Dreamweaver CS4  
PowerPoint  
Keynote  
Flex Builder  
BBEdit

## TECHNICAL SKILLS

HTML (x 1.x, 4.x)  
CSS  
PHP  
Kohana MVC Framework  
MySQL  
AJAX / Javascript  
jQuery, YUI, Mootools  
Flash with ActionScript 3  
Flex  
FBML  
XSLT / XML Schema  
UNIX systems administration

## EDUCATION

### **Masters - Human Computer Interaction Design**

Indiana University, Bloomington      *December 2009*

### **Bachelors - Political Science and Philosophy**

Indiana University, Bloomington      *May 2005*

## ADDITIONAL EXPERIENCE

### **Associated Instructor –T100: Topics in Informatics Technology**

Indiana University, Bloomington      *Summer II 2009*

### **2nd Place Accenture Case Competition**

<http://informatics.indiana.edu/news/news.asp?id=560>

### **Mentor, I541: Interaction Design Practicum**

Indiana University, Bloomington      *Fall 2008*
